

Burying Ground, which commemorates the spot where 13 individuals of African descent were buried in the 18th century.

Jackson's work to elevate the stories and culture of African Americans on the Seacoast and around the world represents the best of New Hampshire's efforts to create a more informed, inclusive, and just State that is welcoming of all people and backgrounds. I am honored to recognize her efforts and wish the center continued success.●

MESSAGE FROM THE HOUSE
